

2018 Player Release Request Form

"Home Parish" is defined as the parish in which the player's family is a registered member.

A player may be placed on another parish's team roster and play as a non-parish player if:

- 1) The player's home parish does have a team in the league in which the player could play on. **A release form is required before the player can be placed on a roster and play in a league game.**
- 2) The player's home parish does not have a team in the league. No release form is required.
- 3) The player is not Catholic. No release form is required.
