INTRODUCTION

CYM Sports in the Archdiocese of Milwaukee has a long and rich history. For many years it has provided an opportunity for thousands of young men and women to participate in basketball, volleyball, and at one time, softball. Today, the Archdiocese of Milwaukee continues that tradition and hopes it will continue in the years to come.

It is the longtime philosophy that "Catholic School and parish athletic programs offer an opportunity for young people to associate with dedicated adults who not only foster the development of athletic skills but serve as role models of Christian living. The true goals of the athletic competition are sportsmanship, leadership, and team play that develop physical skills. The church is working diligently to protect our children and youth against exploitation by overzealous adults who wish to transform an activity of "enjoyment" into an area of "professionalism." The "win at all cost" philosophy will not be tolerated. Overworking the participants in practice not only lends itself to physical strain and a higher probability of injury but to mental exhaustion as well."

"The Catholic Schools and parish sports programs call for responsible control and limitation of time and energy expended on extracurricular activities. This purpose imposes on the administrators and directors of Catholic schools and parishes the obligation to select and prepare adults who will fit the needs as role models for our youth."

Athletics in the Archdiocese of Milwaukee should provide:

- A learning experience.
- A positive base for Christian development.
- An understanding of competition, emphasizing sportsmanship and teamwork.
- An opportunity for all participants to develop and share knowledge and skills appropriate to their level.

Structure of the League

CYM Basketball Oversight Committee

The CYM Basketball League shall:

1. Consist of the following members: Director, Secretary, and Treasurer.
2. The Oversight Committee will consist of not less than three (3) voting members. No parish will have a majority of voting members of the committee. A representative of the Archdiocese of Milwaukee will serve as a non-voting member of the Oversight Committee.
3. The Oversight Committee will establish specific rules and procedures for the CYM Basketball League; resolve disputes not currently covered by league rules, and administer the league.

Basketball League Director

The League Director is responsible for the day-to-day operations of the CYM Basketball league and coordinates the registration process, athletic facilities, scheduling, standings, officiating, and other miscellaneous aspects of the league. The director works under the direction of the Oversight Committee to ensure the quality of the program and a safe environment for all participants. The director is a voting member of the League Oversight Committee.

Basketball League Treasurer

The League Treasurer is responsible for paying all bills required to run our league such as paying the referees, purchase of various awards for the tournaments, and paying the League Director his or her annual fee. The Treasurer maintains the checkbook and is responsible for making sure it is in balance with the monthly bank statements. The Treasurer also provides the Oversight Committee with an annual financial statement showing all the debits and credits from the past season. In addition, the Treasurer will provide the Oversight Committee with a projected budget for next season with suggestions on what needs to be done to avoid budget deficits. The Treasurer will also provide any financial documents required by the Archdiocese. In addition to treasury duties this position will keep track of weekly attendance and provide support during our tournament. The Treasurer may be a paid position on the Oversight Committee and the pay amount will be decided by the Oversight Committee. This position has the right to vote on all Oversight Committee issues.

Basketball League Secretary

The League Secretary is responsible for taking minutes at all Oversight Committee meetings. He or she will publish the minutes in a document and email it to all Oversight Committee members. He or she is also responsible for setting up the time, day, and location of all Oversight Committee meetings and communicating that information to all committee members. This position sets up the day, time, and location of the annual coaches meeting in October and communicates that information to all known league coaches and CYM Coordinators. This position will also provide support at our season ending tournament and the Secretary has the right to vote on all Oversight Committee issues.

Parishes

CYM sports are implemented at the parish level. Parishes within the Archdiocese may establish sports programs for young people within the parish. In order to participate in the league, a team must be affiliated with a parish.

CYM Coordinator

It is recommended that each parish designate an individual to serve as a coordinator for CYM teams. The CYM Coordinator is responsible for collecting/submitting/maintaining required forms (player registration, parent permission, medical release/liability waiver, concussion awareness, coach information, codes of conduct, etc.), insures compliance with coach screening/training requirements (safe environment, coach training, blood-borne pathogens, concussion, etc.), communicates with coaches (pre-season, critical incidents, and post-season evaluation), and reports to the appropriate parish staff person or committee. The CYM Coordinator may be the athletic director, one of the CYM coaches, or another parishioner designated for the role. In the absence of a CYM Coordinator, each coach is responsible for required forms and recordkeeping for their team, and reports to the appropriate staff person or committee at the parish.

Coaches & Assistant Coaches

Coaches are essentially ministers to youth specifically in the area of athletics. CYM Coaches have the responsibility to ensure that competition remains safe, appropriate, and friendly based on genuine, Christian sportsmanship. Coaches are responsible for knowing and following the rules of the league. They are to conduct themselves in a Christ-like manner that will reflect positively on the parish they represent. They are responsible for the conduct of their players and fans at practices and games. Coaches are reminded that they are to teach and guide the team with a sense of fair play and demonstrate respect for all involved in CYM sports programs. All coaches and assistant coaches will have completed the *Safeguarding All of God's Family* Program before working with youth (see page 9).

Other Adults (Parents and Spectators)

Parents of participants in CYM sports have an important role to play in insuring a healthy, safe, and quality experience for young people. Working together is important to a positive family experience. Attendance at practices, games, and tournaments sends a message of support and encouragement. Parental conduct at those events involves modeling good sportsmanship, kindness to all players and fans, respect for all, and appropriate encouragement of all players. Demeaning behavior or verbal insults towards individuals or teams violates the spirit of CYM sports and will not be tolerated.

Archdiocese of Milwaukee Youth Ministry

The Archdiocese of Milwaukee Office of Catechesis & Youth Ministry provides guidelines and support for youth ministry in parishes. As part of this mission, it facilitates the quality and safety of the CYM Sports Programs and insures that they comply with archdiocesan policies and CYM philosophy. The office supports the work of the Oversight Committee, but it is NOT the appellate process for disputes involved in CYM sports. A representative of the Archdiocese serves as a non-voting member of the Oversight Committee.

Policies and Regulations for Athletics

CYM sports adhere to Archdiocesan policies. In the event an issue related to CYM sports is not detailed in this handbook, the League Director should be contacted and in collaboration with the Oversight Committee provide clarification. This publication supersedes all previous CYM Basketball Handbooks.

Alcohol/Drug/Tobacco Policy

Archdiocesan Policy states "Adults may not use or supply alcohol or illegal drugs, when working with minors. No possession or use of these substances by minors will be tolerated." In addition, alcoholic beverages/illegal drugs are not permitted at CYM facilities before, during, or after CYM games and events. Coaches or other personnel under the influence are to be barred from CYM activities. The use of tobacco by coaches and referees in the gym while the games are being played is not permitted. Players are not permitted the use of alcohol, illegal drugs, or tobacco at any time. One warning will be issued in the case of tobacco, and then the player will be suspended from the game. The League Director will see that the above rules are enforced. Violations may result in suspension from the league.

Code of Conduct for Youth & Coaches

All youth participants and coaches are required to sign a Code of Conduct indicating their understanding of appropriate and inappropriate behavior. Violations of this Code of Conduct may result in suspension from the league.

Medical Insurance & Medical Release Forms

Players should have health insurance; parishes, schools and the archdiocese do not provide such insurance. Participants should submit insurance information on the required Medical Release Form. Players that do not have health insurance need to fill out the form for players without insurance. Coaches and Assistant coaches must have copies of all medical release information at and in route to practices and games. Efforts must be made to maintain the privacy of player's medical information.

As a coach it is important to recognize the signs, symptoms, and behaviors of concussions. Coaches must read the "Concussion Fact Sheet for Coaches" and sign the Concussion Acknowledgement form indicating they understand the importance of recognizing and responding to concussions and head injuries per the guidelines set forth by the Wisconsin State Statute 118.293. The form must be submitted to the coach's parish. The Fact Sheet, the Form, along with a supplemental coach's video, and a handy clipboard sheet can be found at:

Participation in CYM Basketball

A parish team is composed of parish members. However, in the rare event that parishes need to combine to field a team, the parishes involved **MUST** put the request in writing and submit the request to the League Director before the team registrations are accepted. Once the request has been approved, the team will be allowed to participate in the CYM basketball league as a collaborative team.

Examples of situations in which collaborative teams might be requested:

- Parishes that share religious education programs may request collaborative teams.
- Neighboring parishes with too few high school youth to field their own teams.

To initiate collaborative teams:

Teams involved **MUST** put the request in writing and submit the request to the League Director before the team registrations are accepted. The team must include more than 50% of the players from the host parish. Once the request has been approved, the team will be allowed to participate in the CYM Basketball League. The League Oversight Committee will sanction collaborative teams that choose not to gain approval before the start of the season. The teams/non-parish players will be considered ineligible.

Multi Parish Communities, as designated by the Archdiocese, will be recognized by the committee as a single entity. Players belonging to any of the parishes that are part of a Multi Parish Community will be considered 'parishioners' for any team that belong to the Multi Parish Community. Multi Parish Communities will not need to request permission to form a team with players from those parishes.

An individual's participation in a parish-based team requires:

1. A parent/guardian must be registered members of the parish.
2. The student must attend parish religious education classes regularly or attend a Catholic High School.
3. Seniors must have completed requirements for the Confirmation Program.
4. A player is not considered part of a team and may not participate until the player form is filled out and turned in to their coach or CYM Coordinator and they are added to the team's official roster in Sports Pilot.

Players living at home must play for the parish at which their parents are registered members. In order to play for another parish, the player must obtain a waiver, available on the League Website. The waiver must be signed by a representative (CYM Coach or CYM Coordinator) of the parish to which the parent(s) are members and with registration materials. Written permission must be granted for participation with a different parish team. Completed paperwork must be submitted to the Registration Coordinator before participating in any game. In this instance, the player will be considered a non-parishioner.

Non-parishioners are defined as any player that is not catholic, is catholic but not attending a Catholic High School or registered in Religious Education, or play on a team for another parish. (Please refer to page 15, Rule 20 for further definitions).

Players who are unable to play for a team because a team is not available in their age division from their parish, the player will be considered a 'parishioner' for another neighboring parish team with CYM basketball committee approval. If a player does not receive the CYM basketball committee approval prior to the start of the season, the player is considered a 'non-parishioner'.

A player who has participated as a non-parish member on a team in a previous season will not automatically be eligible for the upcoming season. A player must renew his/her eligibility following the procedures indicated above. Obtaining permission to play is the responsibility of the player.

Coaches are responsible for verification of their own team's eligibility and checking the verification forms before they are sent to the Registration Coordinator. Teams playing an ineligible player are disqualified from tournament play, forfeit all games in which the ineligible player played and will forfeit any awards and fees for the season games and tournament.

Parents and athletes must read the Concussion Fact Sheet for Parents and for Athletes, and must sign the Concussion Acknowledgement Form. The form must be submitted to the individual's parish. These can be found at: <http://www.archmil.org/offices/athletics/Resources.htm>

Practice

Archdiocesan policy states that:

- a. There is to be NO practice or competition without competent adult supervision. An adult is a person who is 21 years of age or older. The rule of "two" outlined in the section titled *Supervision of Minors* must be honored.
- b. There is to be NO practice or competition during the hours the involved student's parish religious education or youth ministry activities are in session.
- c. No sanctioned or organized athletic activities, including league or tournament games, practices, tryouts or scrimmages, involving school or parish teams, may take place on Sundays before 12:00 Noon.

Transportation of Minors

Whenever possible, coaches and assistant coaches are **strongly discouraged** from transporting minors (other than their own children) to and from games, practices, and CYM events. In the event that a coach or assistant coach chooses to transport minors (other than their own children), the following conditions must be met for parish employees and/or volunteers who use their own vehicle for parish business.

1. A privately owned 10-15 passenger van may not be used to transport school-aged children (K-12th grade) for school, athletic or RE activities.
2. The driver must be 23 years of age or older.
3. The driver must have a valid, non-probationary driver's license and no physical disability that may impair the ability to drive safely.
4. The vehicle must have a valid registration.
5. The vehicle must have a valid state inspection sticker, if required.
6. The vehicle must be insured for minimum limits of \$100,000 per person/\$300,000 per occurrence.

A Driver Information Form should be completed for each driver. The parish is responsible for verifying the driving record of adult drivers in the CYM Sports program. Parishes/Schools should complete the Request for Driver's Record Check Form and submit it to Catholic Mutual Group for any frequent drivers. Catholic Mutual will obtain the driver record from the Wisconsin Department of Motor Vehicles and make a determination on acceptable drivers.

Safety Considerations for Coaches

The safety and care for young people is integral to the philosophy of CYM Sports. Coaches should be aware of the following archdiocesan policies and procedures that govern youth participation at team practices, games, and tournaments.

Safe Environment

In compliance with the *Archdiocesan Safeguarding All of God's Family* program, **ALL Coaches and Assistant Coaches MUST** have participated in the *Safeguarding All of God's Family* training **before the start of any practices or games**. Contact your parish for details or contact the Archdiocese of Milwaukee, coaches only need to attend one time to fulfill this requirement.

All parish/school personnel who have on-going contact with minors, whether paid employees or volunteers, shall be cleared through a criminal background check, a reference check, and be approved by a member of the professional parish staff prior to the beginning of their work with minors. They will read the Code of Ethical Standards and Mandatory Reporting Requirements and sign the required acknowledgement statement.

Archdiocesan policies related to criminal background checks are the responsibility of the pastor/parish administrator/DRE or youth ministry coordinator. State law requires all coaches and athletic personnel have an initial criminal background check and a subsequent review every four years.

Any allegations of sexual misconduct which arise on parish, school, or Archdiocesan sponsored events for minors should be taken seriously and reported first to the appropriate civil authorities and then the Director of the Archdiocesan Response to Sexual Abuse.

Supervision of Minors

- When involved in parish/school events, minors must be supervised at all times. Only responsible adults, age 21 or older, shall be allowed to function in an independent supervisory capacity with minors in any parish/school program. Adults between the ages of 18-21 may assist in the supervision of minors when in a joint relationship with an adult supervisor over the age of 21. Minors under the age of 18 may assist with activities involving other minors, but shall not have supervisory responsibilities. In addition, all such personnel shall have appropriate skills, qualifications, training, and orientation to supervise minors.
- There is to be no practice or competition without the supervision of two competent adults. At least 2 adults should be present during practices. A coach or adult supervisor may not leave the facility until all minors under their supervision have departed or their supervision has been transferred to a parent or other responsible adult.
- Adults need to be aware of their own and the minor's vulnerability when working with minors. For the safety of coaches, adults are discouraged from being alone with a young person in any situation. This includes locker rooms, gyms, cars, before or after practice and games, etc. Do not place yourself in the position of having to answer to suspicion or false allegations of misconduct. In every instance, a team approach should be considered. Most activities should involve the "rule of two," that is, two adults and two youth as a minimum participation in an activity.
- Physical contact with minors can be misconstrued by both minors and other adults, and should occur only under appropriate public circumstances. One-on-one interactions between an adult and a minor should always occur in a public environment and with the knowledge of another adult supervisor. No one-on-one counseling, spiritual direction, etc. should occur in a supervisor or minor's personal living quarters.
- Adults may not provide any sexually explicit, inappropriate, or offensive material to minors. Possession or use of these types of materials by minors will not be tolerated.
- Coaches are responsible for maintaining accurate paperwork for each player. Medical Release/Liability Waivers and Player Code of Conduct Forms MUST be in the possession of the coach at each practice and game.
- Coaches are **strongly encouraged** to make sure that appropriate first aid supplies and other medical equipment are available at all practices and games. Do not assume that the school or parish will have supplies readily available.
- Coaches are responsible for making sure any spilled blood is cleaned up properly. For specific instructions and procedures, contact the host parish for training on dealing with blood borne pathogens.
- If a phone is not available at the gymnasium, a coach should bring a cell phone to practices and game

CYM Basketball Rules

CYM BOYS' AND GIRLS' BASKETBALL RULES

The CYM Boys' and Girls' Basketball Leagues will follow the most current and official game rules as adopted by the Wisconsin Interscholastic Athletic Association (W.I.A.A.) with the exceptions and/or additions found below. The rules apply to youth, coaches, and fans. In the event that fans are involved in inappropriate and unsportsmanlike behavior, the team may be penalized, and the party banned from future games. Athletic Directors and coaches are responsible for seeing that all rules are followed.

GAMES

1. Starting Time: Teams should be ready to play on time. A 5-minute grace period will be allowed. A second 5-minute grace period will be granted if the opposing coach consents. The 1st half will then be played as a 14-minute half. Warm up: There will be at least a five-minute warm up time before each game, prior to any grace periods.
2. Games will be played in two twenty (20) minute halves, with the first **half running on a continuous clock and the first sixteen minutes the second half** on a continuous clock. The clock will be stopped only for time-outs, injuries and at the indication of the referee(s). **After timeouts, if there are free throws the clock will start when the ball is at the disposal of the free throw shooter.** In the **final four minutes of the second half**, the clock will be stopped on all whistles and substitutions. There is a five-minute rest between halves. Teams ahead by 20 points or more may not press in the back court. The clock will run continuously for the **last 4 minutes** of the **second half only** if a team is ahead by 20 points or more.
 - a. Mercy Rule - Coaches that are behind by 40 or more points can ask the referees to end the game anytime within the last 10 minutes of the game. It is always acceptable to play all 40 minutes of the game regardless of the score.
3. Time-Outs: Each team is allowed three full (1 Min) timeouts and two 30 second timeouts per game.
4. In case of a tie, the game will go into 2-minute overtime period(s). The clock will stop on all whistles, free throws, and substitutions. Each team will have only one full time out in each overtime period. There are no time outs carried over.
5. Technical Fouls will result in an automatic 2 points and possession of the ball out-of-bounds for the opposing team.
6. No Dunking or grabbing the rim or net at any time, before, during, or after the game. Penalty for violation will result in technical foul, ejection from the game, a one game suspension, and a fine of \$25.
7. No intentional slapping of the backboard is allowed at any time. The penalty for violation will result in a technical foul.
8. Forfeits: Forfeits will carry a penalty of **\$65**.

9. After two forfeits, the team will be ineligible for tournament play. No team will participate in the tournament until all player and team fines have been paid.
10. Late fees: A late fee of \$25 may be added to any fee or penalty if they are not paid before the regular season ends or before the date set by the League Director.
11. Uniforms: There are NO illegal numbers in CYM between 0 and 99. All players must have a basketball jersey or shirt with numbers on the front and back, (preferably 4" on front and 8" on the back). All team members must be wearing IDENTICAL JERSEYS. Jerseys will be tucked in at all times. Undershirts and Compression Wear are permitted and all team members must wear the same base color. All players are to wear black shorts unless the team has purchased coordinated uniforms. The black shorts ARE allowed to have a small logo (2 inches or less in size) but NO stripe(s) of any color on the side. If it is an official uniform then they may have stripes. Sweatpants, cut-offs or spandex shorts are NOT allowed. Any player not conforming to the uniform guidelines will be considered out of uniform and will be given a technical foul counting as both a personal and team foul. The penalty will be assessed when the player who is deemed out of uniform enters the game. The "out of uniform penalty" will be assessed only once per player for that game.
12. Protests: NO GAME PROTESTS! THE OFFICIAL'S CALL WILL STAND.
13. Postponed Games: In the event of an unforeseen circumstance or severe weather as determined by the league, games will be postponed. The League Director will determine the need to postpone scheduled games. An attempt will be made to contact all coaches so the coaches can call their team members.
14. Rescheduling Games: A limit of two requests per team to reschedule games may be honored at the discretion of the league director and/or the steering committee once the final schedule has been posted to the CYM Basketball website. Coaches must take care to include one request for retreats, dances, or other dates that will conflict with the game schedule. For games to be rescheduled, points A-D below must be followed:
 - a. The request must be made at least 3 days in advance of the game to be moved.
 - b. The opposing coach has a choice to accept the forfeit or agree to play the game on a different date and time.
 - c. The oversight committee persons responsible for the league schedule will provide the best options to the teams involved in the rescheduling of the game.
 - d. If rescheduling a game causes a gap in the referee schedule, forcing an hour break between regularly scheduled games, the team requesting the change will be charged a \$65 fee to cover the additional referee costs.
15. Game Day: League games will be played Saturdays and Sundays. Teams must be available most Saturdays AND Sundays during the season.
16. Tournaments are played over two weekends at the end of the season. Regular season rules apply. This is a single elimination tournament.
